Meal Sponsors

Meals are needed at competitions to provide the energy and focus required for this demanding physical and mental activity, as well as to ensure students stay hydrated and maintain good health throughout the all-day event. Providing meals, especially nutritious ones, helps prevent fatigue and improves performance. All meals are well balanced and freshly cooked on site by the boosters and additional volunteers. We serve 50+ students plus staff. This has become a tradition that the students enjoy and appreciate, keeping them happy and healthy with meals cooked with love instead of fast food.

Four of each option is available. You will receive additional recognition on our website and during these trips via social media.

- Gatorade/Water: \$100
- Snacks/Fruit: \$150
- Brunch/Lunch: \$300
- Dinner: \$450
- The Whole Shebang: \$1000 (covers everything for one competition)
